Details of Institutional Social Responsibility Activities in the neighbourhood community

A range of extension initiatives instilled in the students a sense of social responsibility and overall growth.

Public and school screening camps: Several public and educational screening camps were held in and around Bangalore.

World Hearing Day: To commemorate World Hearing Day, the Department of Hearing Studies hosted a range of activities focusing on the WHO-proposed subject. World Hearing Day 2022's subject was "To hear for life, listen with care.". Karna demonstration was held at Kristu Jayanthi College. Free hearing aids were handed to the poor, while ear protection devices were distributed to traffic officers. In addition, hearing screening was carried out.

World Voice Day :World Voice Day celebrations began on the 26th of March, 2022. Following are the activities carried out.

1. Voice screening program for 35 adolescents of Bright Public School, Hennur Road, Bangalore (16th of April - 26th of March).
2. Voice screening program for 55 adolescents of Jyothi Public School, (28th June - 1st July).
3. Voice screening program for the teachers on 1st April, 2022 & vocal hygiene tips given.

"International Day of Persons with Disability" & "World Disability Day": On the occasion of the "International Day of Persons with Disability" on December 3rd, Mr Suresh T., Vice Principal, spoke about the roles of parents and professionals in the education of children with hearing impairment.

World Cochlear Implant day: International Cochlear Implant Day, was celebrated on February 25th, 2022, virtually. In general, a lot of myths have been associated with cochlear implant as it is still a relatively uncommon procedure especially in India. This time with the effective use of social media platforms, videos on busting myths towards cochlear implant were released on the social media handles of the institute. The videos were focused on breaking common myths.
