Event: Talk on "Cyber Crime and Cyber Security"

| Program Details | |
|-----------------|------------------------------------------------|
| Date | 24.08.2023 |
| Participants | Students-97 and Faculty- 13 Total= 110 |
| Resource Person | Mr. Adrin PF(Cyber Security Trainer) |
| Organized by | Beyond Books and College Series (BBC) |
| Theme | Capability Enhancement-Human Value Development |
| Venue | Institute Auditorium |

Objective: To build awareness among students and staff on the various cyber-crimes and on how to safeguard self from these crimes.

Brief Overview:

Beyond Books and College Series (BBC) in association with IQAC conducted a talk on "Cyber-Crimes and Cyber Security" on 24.08.2023 between 1:30pm-2:30pm. Mr. Adrin PF, a cyber-security trainer by profession and a certified ethical hacker enlightened the students and staff on this topic of significance.

He educated everyone on the various criminal activities that take place across the internet. He described the incidence and prevalence of such criminal activities across India and quotes a few recent controversial cybercrimes that took place in Bengaluru. He engaged the students by demonstrating how a few third party websites could target and harm someone's security and privacy by sharing malware information, one of which he displayed to the audience which was titled Phisher. He also explained on how to differentiate real websites and fake websites.

Feedback

A feedback form was developed and circulated to all the attendees via Google form link. The talk was identified to be effective and of utmost relevance to the audience. The overall quality of the talk was well appreciated. Students and staff are expecting talks of the similar prospect in the near future. Many students requested for more sessions on the same topic as well.

| Venue | Institute Auditorium, DRSCISH |

Objective: The session was aimed at learning about different management strategies to implement while facing different medical emergencies in case of acute medical emergencies like hypoglycemia, asthma etc. especially in a medical setup.

Brief Overview: The Department of Speech Language Studies, in collaboration with IQAC had organized a session on Acute Medical Emergency on 6 th July 2023. The talk titled ‘Acute Medical Emergency - Assessment and Initial Management of Respiratory Obstruction, Bronchial Asthma and Hypoglycemia’ was delivered by Dr. Disha (2 nd year ENT PG student, Akash Institute of Medical Science, Bangalore).

Dr. Disha started the session by explaining about different acute medical emergencies. She then discussed the common medical emergencies that one may come across in day-to-day life especially hypoglycemia, Asthma etc. and how one could deal with them. She also did a demonstration session for CPR and other emergency strategies used in different situations for people with the same difficulties. She concluded the session by holding a discussion to address the queries or doubts the attendees had.
