Karnataka Rajyotsava, also known as Kannada Rajyotsava or Karnataka Formation Day, is a state public holiday and celebrated on 1 November of every year. This was the day in 1956 when all the Kannada language-speaking regions of south western India were merged to form the state of Karnataka. The name Karnataka holds a special place in the history of India because since the times of Mahabharata, various kings have enthroned parts of Karnataka. Karnataka is known for its scenic richness, historically significant monuments, cultural diversity and in recent times, being called the technological giant.

Kannada Rajyotsava was celebrated in Dr.SRCISH on the 10th of November, 2022. The affairs for the day began with the senior faculty hoisting the state flag coupled with a melodious rendition of the state song "Jaya Bharata Jananiya Tanujate" by the students of 3rd BASLP.

This was followed by a program in the auditorium. The first event was a song from the students of 1st and 2nd BASLP. Next in line was a game for all students and staff to test who among the audience spoke Kannada the best. The game was of Kannada tongue twisters where the participant repeating the tongue twister the most fluent won. Yet another cultural input to the event was the Bharathnatyam performance by the students of 2nd BASLP. The program was concluded with a talk by Mr. Suresh T, Vice Principal.

To mark a sweet ending to a sweet celebration, the students and staff were given laddoos to celebrate and commemorate the occasion.
