About the Institute

Dr. S R Chandrasekhar institute of Speech and hearing is one of the premier, renowned academic institutes in India in the field of Speech and Hearing. The institute provides clinical services as well as highly specialized and exclusive professional academic programmes.

The institute was established in 1977 as a clinical facility with the aid of Lions Club of Bangalore East and now it has grown as a multi-level academic training institute conducting a wide range of courses in the field of Speech and Hearing.

Students joining the institute are not only privileged to be taught by eminent professionals with years of Experience, but

also get the opportunity to work on equipment's which are truly state of the art. Being a very popular allied healthcare and rehabilitation centre, this institute attracts hundreds of patients every day with various Speech, Language, Swallowing, Hearing, Balance, and Behaviour related disorders. Students will be immensely benefited by the range and depth of experience that they gain by studying to assess and treat these health conditions.

The institute is affiliated to Bangalore North University and is recognised by the Rehabilitation Council of India. Students are accepted for further studies by all Universities in India and abroad.
